### **About Fuji Oil Holdings**

FUJI OIL Group is a global food ingredient manufacturer engaged in four key businesses: specialty oils & fats, industrial chocolate, emulsified & fermented ingredients and plant-based food solutions, which ranges from soy protein products to soy-based processed food products. With Headquarters in Japan, the Group has companies in 14 countries and employs nearly 6000 talented people. Ever since its founding in 1950, Fuji Oil has adhered to the conviction that its path to survival and advancement lies in cultivating new fields through application of its originality, without following the lead of other companies. It generated sales of 364.8 billion yen in FY2020.
