## **Blommer Chocolate Company announces the opening of a new R&D Applications Lab in Chicago**

(January 26, 2022) Chicago IL - Blommer Chocolate Company, the largest cocoa processor and ingredient chocolate supplier in North America, a group company of Fuji Oil Group announces the opening of a new R&D Applications Lab, located in downtown Chicago, IL in The Merchandise Mart. This space represents an expansion of R&D capabilities, full of new and improved ways to support the business as well as Research & Development.

"We are looking forward to hosting customers! The new lab has been thoughtfully designed to be a functional workspace for the team with a welcoming atmosphere for collaborating with customers." says Marie Loewen, R&D Corporate Manager, Applications.

The new lab is outfitted with two kitchens, one specifically for chocolate and compound work and one for "hot" applications including baking and frying. The chocolate kitchen opens into a large room, making it perfect for hosting customers for training, ideation, and demonstrations. It is humidity controlled and contains a variety of small-scale equipment to allow for confectionery work including moulding and panning.

This lab will be a refreshing, collaborative space to highlight the capabilities of both Blommer & Fuji Oil Group and will help to elevate the brand in the market as well as live the Blommer R&D vision: Through thoughtful and proactive collaboration, we will deliver advanced innovation, impactful technical support, and generate meaningful, creative solutions to help unlock the full potential of our customers.
