

Release of *Integrated Report 2022*

Today, the Fuji Oil Group published the *Integrated Report 2022*.

The Integrated Report provides an overview of the Group's business activities and outlines its medium-to-long-term strategies. This information provides the basis for our series of discussions with our stakeholders, intended to enhance our corporate value.

In accordance with these objectives, we have prepared our Integrated Report for the fiscal year ended March 31, 2022 by referring to the IFRS Foundation's "The International Integrated Reporting Framework" and the Ministry of Economy, Trade and Industry's "Value Co-Creation Guidance," with an emphasis on stakeholder relationships and connectivity of information.

We will use this report to deepen mutual understanding with stakeholders through dialogue and create a positive cycle that will promote management improvement.

■ Overview of the *Integrated Report 2022*

Based on the 2030 Vision and the new mid-term management plan "Reborn 2024" (FY2022-FY2024) announced in May 2022, this report shows the short, medium, and long-term value creation that Fuji Oil Group is aiming for.

Key Points

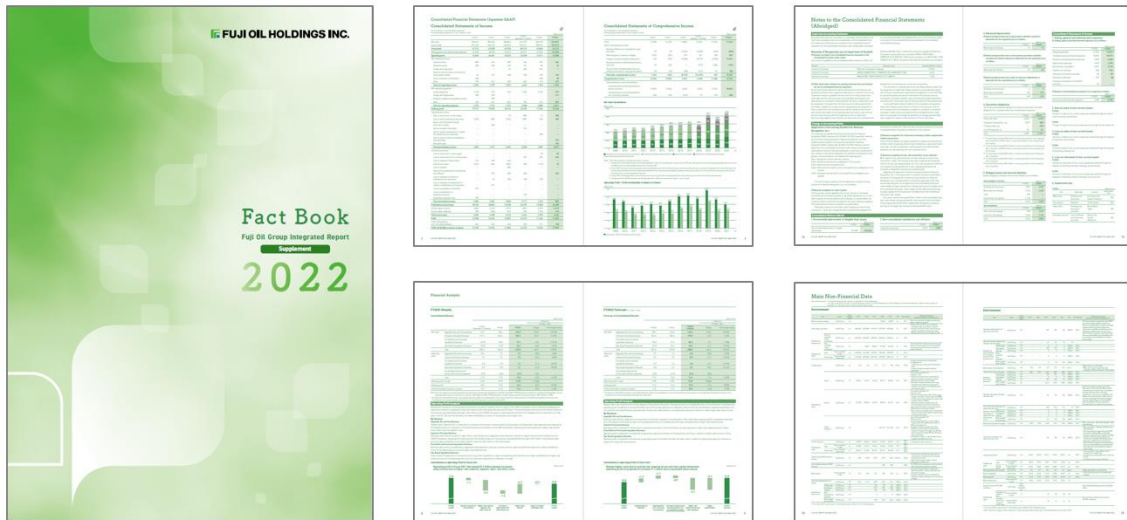

-We have endeavored to present an overall picture of corporate activities to enhance corporate value with emphasis on the linkage between business strategies and efforts to maintain and strengthen the foundations of value creation.

-It shows that the Fuji Oil Group aims to create value by expanding food choices with plant-based ingredients and "co-creating a sustainable future for food" based on the 2030 Vision.

■**Fact Book 2022**
