  - ▶ Incentives
  - ▶ Serious environment-related violations and measures
  - ▶ External Evaluation

- Sustainable Procurement Management**
- ▶ Relation between themes and business activities
  - ▶ Basic approach
  - ▶ Promotion system
  - ▶ Specific initiatives

# Activity Report in Priority Areas

## Sustainable Procurement (Main Raw Materials)

### Priority theme

#### Sustainable Procurement of Palm Oil

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step
- Specific initiatives

### Priority theme

#### Sustainable procurement of cacao

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step
- Specific initiatives

### Priority theme

#### Sustainable Procurement of Soybeans

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step
- Specific initiatives

## Environmentally Friendly Manufacturing

## Climate Change

## Conservation of Water Resources

### Priority theme

#### Development of manufacturing methods with low environmental impact

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step

### Priority theme

#### CO<sub>2</sub> Emissions Reduction

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step
- Specific initiatives

### Priority theme

#### Water Usage Reduction

- Relation between themes and business activities
- Basic approach
- Promotion system
- Objectives / Results
- Next Step
- Specific initiatives

## Food Loss Reduction

### Priority theme

#### Food Loss Reduction

- ▶ Relation between themes and business activities
- ▶ Basic approach
- ▶ Promotion system
- ▶ Next Step
- ▶ Specific initiatives

## Resource Efficiency and Waste Reduction

### Priority theme

#### Waste Reduction

- ▶ Relation between themes and business activities
- ▶ Basic approach
- ▶ Promotion system
- ▶ Objectives / Results
- ▶ Next Step
- ▶ Specific initiatives

### Priority theme

#### Packaging Materials Reduction

- ▶ Relation between themes and business activities
- ▶ Basic approach
- ▶ Promotion system
- ▶ Next Step

## Foods Creation

### Priority theme

#### Providing solutions to food resources shortage

- ▶ Relation between themes and business activities
- ▶ Basic approach
- ▶ Promotion system
- ▶ Objectives / Results
- ▶ Next Step
- ▶ Specific initiatives

## Activity Report in Basic Areas

### Sustainable Procurement of Shea Nuts

- ▶ Relation between themes and business activities
- ▶ Basic approach
- ▶ Specific initiatives
